Licensed beds
- \$16 billion**  
Charitable giving since 2010
- \$3.65 billion**  
Capital upgrades since 2005

We are physician-founded, physician-led, and **transforming** hospitals.

**Prime Healthcare Illinois** hospitals have been nationally recognized by U.S. News & World Report, The Leapfrog Group, Healthgrades, and the Lown Institute for excellence in quality, safety, equity, and patient outcomes. Prime Healthcare and the Prime Healthcare Foundation are also making significant investments in modern technology, state-of-the-art equipment, facility upgrades, expanded surgical capabilities, and new service lines. These investments strengthen patient care, enhance caregiver experience, and elevate the level of service provided, while ensuring hospitals remain trusted cornerstones of their communities.

**Our mission and our values guide how we conduct our business, what we believe in and where we are headed.**

### Our Mission

To save and improve hospitals so that they can deliver compassionate, quality care to patients and better healthcare for communities.

### Our Values

#### Quality

We are committed to always providing exceptional care and performance

#### Compassion

We deliver patient-centered healthcare with compassion, dignity and respect for every patient and family.

#### Community

We are honored to be trusted partners who serve, give back and grow with our communities.

#### Physician-led

We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.
